

# Associated Builders and Contractors – Ohio Valley Community Service and Outreach Award

## **2020 Entry Details**

### **Purpose**

The ABC Ohio Valley has many member firms who unselfishly give their time and treasure for the betterment of their communities. It is important to recognize that one of the core tenants of the merit shop philosophy is continuous improvement of our firms, employees and communities through education, service and volunteerism. The ABC Ohio Valley Community Service and Outreach Award was created to recognize the efforts of member companies who engage their employees through community service and outreach. Its intent is to applaud these programs and to share them with other companies as examples of leadership in the communities in which we live, work and serve.

This award shall be given annually to a single OVABC member company who has made significant efforts toward involving their employees in community/charitable activities, making a difference in the lives of those touched.
