Please answer the following questions:

Regarding free and open markets:

1. What does the merit shop philosophy mean to you?

2. Describe your contributions to advocacy for free and open market competition in the construction industry.

Regarding your interaction with Ohio Valley Associated Builders and Contractors (OVABC) and its training partner, the Ohio Valley Construction Education Foundation (OVCEF):

3. What have you done to promote the OVABC as an association and OVCEF as a source of training?

4. How do you/have you participated/encouraged others to participate in OVABC/OVCEF committees/events?

5. Has your organization participated in any ABC award winning projects?

6. Has your organization participated in any Craft Training competitions? Any winners?

7. Please tell us if you have served in any of the following capacities?
  - a. ABC National Committees/Board
  
  - b. OVABC Board
    - i. How many years did you serve?
    - ii. Were you ever OVABC Board Chairman?

Regarding your time as a business owner/leader:

8. Describe your contributions to your company's history (foundations, struggles, significant accomplishments).

9. Describe your involvement in community development and outreach.

10. Have you been recognized/won awards by any other associations or community groups?

Please provide up to 3 letters of recommendation to support your nomination.
