ANNUAL SPONSORSHIP VALUE OPPORTUNITIES

ABC Ohio Valley offers the greatest variety and highest quality events for contractors and those who do business with contractors. No other regional organization offers better opportunities for networking, marketing, and brand exposure.

Given the desire of many to participate in multiple events, Sponsorship Value Package options were created to offer maximum exposure and return on investment. Multiple levels of sponsorship within individual events are also offered to accommodate various budgets.

Please take time to review the extraordinary value of Sponsorship Value Packages and join your fellow industry leaders in supporting the region's best contractor events. Once you have made your choice, call the number listed at the bottom of any page.

- **GREAT CHOICES + GREAT VALUE**

Top Performers Breakfast

The Top Performers Breakfast is a panel discussion by a group of award-winning contractors, who share with the audience what sets them apart and what it takes to be ranked as a Top Performing Contractor.

ABC annually recognizes the Top Performing Member Contractors in the country based in their achievements in safety, quality, diversity, and project excellence. These contractors have earned ABC's Accredited Quality Contractor credential for their commitment to corporate responsibility in quality, safety, talent management – including inclusion, diversity and equity – education, and community relations; those that won national Excellence in Construction, Safety Excellence and Inclusion, Diversity and Equity Excellence awards; and those that hold special designations awarded to diverse companies to help procure work from government and private entities.

WHEN: Annually in April or May

WHERE: West Chester, Ohio

WHY: To Learn from the Best

AUDIENCE: Past and Present Top Performers,
Those who want to become Top Performers,
Those who want to work with Top Performers

ABC Awards Excellence in Construction Gala

ABC Awards Gala for Excellence in Construction is the construction industry's premier competition and recognition event.

This program brings nearly 1,000 individuals from our community together. We recognize the outstanding construction projects built by ABC members, honoring the most innovative and high-quality construction projects.

Project awards include Honorable Mention, Award of Merit, and the coveted Eagle Award of Excellence. ABC also recognizes the Safe Employer and Safe Employee of the year, Community Outreach Award, Scholarship Winners, Apprenticeship Graduates, Craft Professional of the Year, Woman of the Year, and the esteemed ABC Legacy Award.

The evening begins with a cocktail networking reception with an open bar and continues with a seated meal and awards program.

WHEN: Annually in April or May

WHERE: Northern Cincinnati

WHY: To celebrate the industry's best and brightest

AUDIENCE: 500-1000 construction professionals

Legacy Golf Outing

The region's best golf outing is held at the award-winning Blue Ash Golf Course, which was ranked as one of the top 75 municipal golf courses in the United States.

Foursomes enjoy 18 holes of golf, breakfast, lunch, and a buffet dinner complete with networking and awards. There are plenty of on-course activities, complete with prizes, snacks, cigars, golf balls, unlimited beer, water, soda and sports drinks.

Two beverage carts and several beverage stations can be found throughout the course. The dinner buffet includes an open bar and networking in the beautiful facilities of the Cooper Creek Event Center. The 18-hole, 6,800-yard, par 72 championship layout will challenge even the most discriminating golfer. This event sells out quickly.

WHEN: Annually on the first Monday in August (Shotgun start at 9 a.m.)

WHERE: Blue Ash Golf Course, Cincinnati, Ohio

WHY: Because you know you love a good golf outing!

AUDIENCE: Golfers of all levels; non-golfers join us for dinner, awards, and networking

ADDITIONAL OPPORTUNITIES:

Hole sponsors may set up contests/giveaways at their hole, in-kind sponsorships accepted

WHAT: LOGIC is a peer group that represents the interests of women within the construction industry by empowering women while encouraging a culture of growth and success in a positive environment. We exist to assist women who are presently in the industry through education, community outreach, and networking and to provide a channel for women to become leaders in the construction industry.

WHY: To provide an environment where women can seek out encouragement, obtain factual information, learn about career opportunities and resource information, all in regard to best practices within the industry.

HOW: Through a variety of scheduled events and activities including but not limited to quarterly luncheons, small group mentoring, leadership speaker series, college outreach, community outreach, networking events and more.

LOGIC EVENTS

ANNUAL PLANNING RETREAT

LOGIC invites the region's woman construction leaders and influencers to an annual education and planning conference. Multiple sessions are offered at this full-day event. Participants are asked to reflect on past and current events and to set goals for their future. Wellness is a part of this event, accountability partnerships are created.

DISCUSSION PANELS AND NETWORKING

Three times per year, LOGIC will host a panel discussion on hot topics in the construction industry.

WHAT: Next Gen Leaders is a peer group for motivated professionals seeking growth in their career. Next Gen members come together to develop their skills, expand their networks, and learn what it takes to be a strong leader.

WHY: Our mission is to build a strong future for the construction industry by supporting its emerging leaders. In addition to networking with other professionals, Next Gen members connect with and learn from experienced leaders in the construction industry.

HOW: Next Gen members diversify their skillsets and build connections through a variety of events. These events include (but are not limited to): leadership panels, jobsite tours, skill workshops, community outreach, networking events, and more. Events take place year round with one or more held every 4-6 weeks.

NOTE: *Next Gen Leaders is a peer group for emerging leaders. It is especially beneficial for young professionals, but welcomes aspiring leaders no matter where they are in their career.*

Dayton Canstruction is an event at which ABC members and other local companies build sculptures composed entirely of canned goods. Following the event, all canned goods are donated to The Foodbank of Dayton for the benefit of the greater Dayton community.

WHEN: October 15, 2025

HOW: Teams plan and design their Cansculptures in early summer. Build Day is held at the Dayton Mall in October. Sculptures remain up for one week for the public to enjoy and vote on. A panel of judges presents awards in various categories.

WHY: This event serves the over 88,000 Dayton-area residents experiencing food insecurity. The creativity expressed by the sculptures brings awareness to this issue and results in the donation of tens of thousands of meals to residents in need.
